MOUNTAIN GUIDES

# Make Sure it's Mountain Guides

## Iceland - a destination like no other

Essentially it is Iceland's beautiful and unspoiled nature that makes it such a unique destination. Iceland is the outdoor enthusiast's dream, where volcanoes, glaciers, hot springs and powerful waterfalls set their mark on the landscape.

Iceland is an all year destination where each season has its own distinct attraction, be it the endless days and bright nights of summer or the long winter nights with plenty of opportunities to see the Northern Lights.

## A Brand is a Promise

**Icelandic Mountain Guides** is Iceland's premier adventure tour operator. For more than 20 years we have offered adventures in the wilderness of Iceland and Greenland.

We at **Icelandic Mountain Guides** are all passionate nature lovers and travellers. For us safety is a priority. We aim to provide fun and adventurous tour experience in a safe way

With **Icelandic Mountain Guides** you can rest assured that you are in the best of hands.

## Environment First

In all the activities and experiences we offer, our objective has always been to minimize the environmental impact and to leave no trace when we travel.

## We are proud of the reputation we've earned

**Icelandic Mountain Guides** has a distinctive record in operating adventure tours. We are a proud recipient of various awards and recognitions that make us the most awarded adventure tour company in Iceland.

# Icelandic Mountain Guides

## The Adventure Specialist

Icelandic Mountain Guides offers a wide range of adventure tours in Iceland. The focus is on nature, on hiking and trekking, glacier and highland experiences and active adventures for all.

## Group Tours

Our group tours range from short discovery tours to trekking, backpacking and adventures in the interior of the Icelandic highlands. We also operate custom group tours for our partners.

## Day Tours

Everyone should find something to their liking on one of our outdoor adventure day tours. Our day tours combine hot springs, geysers and waterfalls and the popular Glacier Walks play a big role in our program both from Reykjavik and in South Iceland.

## Glacier Travel Experts

The Icelandic glaciers are our playground and our expertise lies in making them safe and accessible for people of all levels and ages. From short and easy Glacier Walks to full on expeditions we are your glacier experts.

## Northern Lights

In winter the Northern Lights play a big role in our program whether it is on a day tour or a multi-day tour.

## Your FIT Specialist

Our FIT travel consultants are quick and creative and make it their priority to create unique adventures adapted to every individual traveller.

## Specialized Activity Tours

When it comes to skiing, mountain biking or glacier and mountaineering courses we offer both programs for groups and individuals.

# Iceland Rovers

## Soft Adventures and Cultural Experience

Our Iceland Rovers tours focus on the discovery of Iceland's natural highlights, it's culture and small group super jeep tours to the interior highlands.

### Small groups and comfort

With Iceland Rovers all tours are in small groups with comfortable transport and good accommodation. On our cultural touring and hiking tours the discovery of natural highlights and cultural stops is mixed with daily hikes.

### Highland Touring

Our Super Jeep multi day tours combine the highlands and comfort. They give travellers access to the unique landscapes of the mountainous interior and the chance to overnight in the wilderness.

### Theme Tours

Interested in photography, knitting, running or Icelandic cuisine? See our selection of different theme based tours.

### Private Guiding

Whether it is luxury, extreme adventure, neither or both, we offer customized tours for you to visit Iceland the way you want.

### Super Jeep Day Tours

On our Super Jeep day tours we explore Iceland's great natural beauty and diversity in a personal way.

### Adventure Incentives

With a strong background in adventure travel and mountaineering our incentive team knows how to mix action, entertainment, relaxation and team building to create impressive incentive tours for groups of all sizes.

# Greenland

## Pioneers in Greenland Travel

Greenland is a country of great contrast where nature can truly be enjoyed in the isolated wilderness. When travelling to Greenland you can expect deep fjords, high mountains and icebergs larger than life. The country also has a very rich heritage and an interesting culture.

We have been operating tours to Greenland for almost two decades. We know well its different regions and offer various types of adventures to accommodate all kinds of travellers.

## Group Tours and Individual Travel

In Greenland we offer both guided group tours that take you deep into the wilderness and self-guided programs for individuals. Our operations cover everything from easy short breaks and day tours, to assisted treks and backpacking tours and beyond...

## Dog Sledding

Dog sledding is a great way to explore the Arctic wilderness during the winter time.

## Ski tours

When it comes to either Alpine touring or cross country skiing, Greenland is truly a dream destination.

## Greenland Expeditions

We have successfully operated many expeditions in Greenland, from the crossing of the interior ice cap to climbing of the highest peaks.

## Kulusuk Hostel

Icelandic Mountain Guides run the Kulusuk Hostel in East Greenland. The Hostel is small and friendly and a great place to stay for those wanting to explore a different world.

**Did you know that Iceland serves as the best gateway to the extraordinary nature and interesting culture of Greenland?**
